

FUCA Building Policy (to be followed by all who enter the building)

- **Masks are not required if you are FULLY vaccinated. If you are unvaccinated please wear a mask while in the building.**
- **All individuals should continue to socially distance** themselves from members of other households as much as possible.
- **All individuals should sanitize their hands** upon entering the building and wash or sanitize as needed during their occupancy of the building.
- **If any individual is feeling sick or displaying symptoms, please remain at home.**
- **If anyone is diagnosed with COVID 19**, they are to notify the church office within 24hrs.
- **The bathrooms on the north side of the building (right next to the kitchen) are the only bathrooms to be used one at a time.** The bathrooms in the hallway are closed.
- **The kitchen is currently closed** and should not be used.
- **The drinking fountain in the hallway is currently closed.**
- **Please use only the rooms that are designated for your group/meeting time.**
- **If you are using the Classrooms/Fellowship hall**, please make sure you turn the air purifiers on at the beginning of your meeting and remember to turn them off at the end of your meeting.
- **Any area that you use needs to be cleaned/wiped down.** Use wipes to clean all high-touch surfaces like doorknobs and light switches.
- **The nursery and children's classroom area are closed.**
- **If you would like to use the church for a meeting or activity, please contact the church office for scheduling.**
